

UNIVERSITY OF EAST SARAJEVO

Kick-off meeting

Barcelona, 3-5 March 2014

University of East Sarajevo

- The University of East Sarajevo is an independent and self-governing institution, consisting of the 15 faculties and the two academies, established in 1993.
- University “East Sarajevo” differs from the other universities, and has many advantages, mainly because of the fact it is located in 10 towns, which makes it decentralized and therefore contributes to the faster development of these towns
- **The UES is the largest higher education institution in RS**
- 17.000 Students - FULL-TIME STUDIES
- 1.000 Students - POSTGRADUATE STUDIES
 - Number of employees: **94**
 - Research staff: **579**
- **UES trains specialists in Bachelor, Master and PhD degree engineering programmes essential for the industrial development, as well as specialists in Law and Medicine.**

Faculties

Towns

Academy of Fine Arts	Trebinje
Faculty of Economics	Brcko
Faculty of Economics	Pale
Faculty of Electrical Engineering	East Sarajevo
Faculty of Physical Education	Pale
Faculty of Business Economy	Bijeljina
Faculty of Production Engineering and Management	Trebinje
Faculty of Philosophy	Pale
Faculty of Mechanical Engineering	East Sarajevo
Faculty of Medicine	Foca
Academy of Music	East Sarajevo
Faculty of Teacher Education	Bijeljina
Faculty of Agriculture	Bijeljina, East Sarajevo
Faculty of Law	Pale
Faculty of Theology	Foca
Faculty of Transport Engineering	Doboj
Faculty of Technology	Zvornik

International and Interuniversity Cooperation

- The University of East Sarajevo has over **25 bilateral** agreements signed with partner universities at home and abroad. Also there are more than 15 Special agreements (national and international) signed by Organisational unites of UES with other Faculties. These bilateral agreements regulate different types of cooperation, such as work on subjects and projects of common interest, exchange of scholars and students, joint publications, exchange of information and other activities in order to improve the academic cooperation.
- The University of East Sarajevo is a member of several university networks and international associations - *European University Association*; - **EUA**, the Network of Central and Eastern European Quality Assurance Agencies in Higher Education, BiH Rectors Conference, etc.

University Centre BIJELJINA

**Faculty of Business Economy
Faculty of Teacher Education**

University Centre BRCKO

Faculty of Economics, Brcko

University Centre DOBOJ

Faculty of Transport Engineering

University Centre FOCA

Medical Faculty

Faculty of Theology

University Centre: PALE

- Faculty of Physical Education
- Faculty of Law
- Faculty of Philosophy
- Faculty of Economics, Pale

University Centre LUKAVICA, ISTOCNO SARAJEVO

- Faculty of Electrical Engineering
- Faculty of Mechanical Engineering
- Music Academy
- Faculty of Agriculture

Universitat Autònoma de Barcelona

University Centre TREBINJE

**Academy of Fine Arts
Faculty of Production Engineering and
Management**

University Centre ZVORNIK

Faculty of Technology

Zvornik Castle

Universitat Autònoma de Barcelona

Science and Research

- The University of East Sarajevo has participated in **TEMPUS** projects since 2000, **two FP6 projects**; and other international project - such as project dealing with Brain Drain in West Balkan Countries, financed by UNESCO and 'Hewlett Packard', than ALPS/IRIS REFORM PROJECT BIH, financed by USAID, and Institutional University Development Plan 2003-2008 - the project was funded by the World Bank.

Group/team

- **Dr Svetlana Pelemiš**, assistant professor, Faculty of Tehnology, UES. (contact person)

Molecular ultra thin films/ Optical properties of nanocrystalline dielectric film-structures

- **Prof dr Radoslav Grujic**, vice/rector for teaching and students , Faculty of Tehnology, UES.

Food technologyst / Food nutrition and Food technology- Food Quality and Food Safety / Development new food product, Innovation in food industry

- **Dr Milorad Tomić**, associate professor, Faculty of Tehnology, UES.

Electrochemical Engineering and corrosion protection and The methodology of scientific research.

- **M.Sc Došić Aleksandar**, assistant, Faculty of Tehnology, UES.

Inorganic Chemistry

- **Prof dr Dušan Golubović**, full professor, Faculty of Mechanical Engineering, UES
Experimental and theoretical investigation of Sustainable Energy and Environment.
- **Prof dr Radić Nebojša**, full professor, Faculty of Mechanical Engineering, UES
Applying linear and nonlinear methods in researching stability of thin wall profiles, nanoplates and nanobeams
- **M.Sc Krajišnik Milija**, assistant, Faculty of Mechanical Engineering, UES
- **Dr Moljević Slaviša**, assistant professor, Faculty of Mechanical Engineering, UES.
Quality system management in engineering and standardisation.

Role in the project UES

- PARTICIPATION IN ALL PROJECT ACTIVITIES
